

Dear Parents,

I am delighted that so many parents have expressed and shown their support towards the continuous development of Novelty Nursery & Primary School. We look forward to working together to unceasingly improve the quality of our provision and becoming an outstanding school with international standards.

One of our key priorities over the next few Months is to forge close links with all our parents and partner schools to ensure that we give our children the best quality education. I am very grateful for the tremendous support received from both staff and parents.

As you are aware, every child at our school is currently being assessed to identify strengths and barriers to learning, this will enable us adopt strategies that can better support your child. This is an ongoing process that will involve parents at some point – review will be annual.

Finally, in the interests of greater security and safety we will be putting in place a few measures to ensure the safety of our children and endeavor to make Novelty School's learning environment conducive for our children.

May I take this opportunity to again thank you for your continued support for Novelty Nursery & Primary School.

Mrs Sheri Adegbesan  
Head of School,

### **Child Development**

Please ensure your child brings home their daily report on Friday – this should be taken home every Friday for parents to sign and leave comments. Parents are advised to ensure that their child/children return the daily report back to their teachers on Monday morning.

Children in Basic 1-5, are mandated to borrow at least a book from the library on a weekly basis and parents must sign the library record.

For more information, please contact your child/children's class teacher. **Lost books will attract a minimum charge of N500.**

### **School Development**

The Health, Safety and Hygiene of our children are our utmost priority; we encourage parents to ensure their children come to school with their water bottle with the child's name written on it boldly.

### **Newly Refurbished Classes**

- Computer Room (ICT)
- Library

### **School Records**

Parents are advised to kindly update their child/children's school records by providing the following information if not already provided.

- Provide a recent passport photograph
- Provide us with full address and telephone number of parents/ carers

### **School Fees**

We encourage parents to pay their child/children's school fees promptly.

### **Social Media**
